FIRE INSURANCE NOTICES, &c. ALEXANDRIA AGENCY

NORTHERN ASSURANCE COMP'Y., LONDON. HEAD OFFICE FOR THE UNITED STATES, No. 37 South Third Street, Philadelphia.

SECURITY TO POLICY HOLDERS. THIS old and responsible Company insures against loss or damage by Fire, almost every

description of property, and offers to Merchants and others desiring insurance, the security of an actual Capital of \$6,298,800, for the whole of which, and for any liabilities beyond, the Shareholders are INDIVIDUALLY RESPONSIBLE, even to the extent of their entire fortunes. The Shareholders number about one thousand, and as a large portion of these are persons of great wealth, the most ample provisions exist for meeting every possible claim H. PADGETT, H. K. BRADSHAW, and C. M. against the Company.

SUEJECT TO THE LAWS OF THE UNITED STATES.
In appointing an Agent for the United States, the Company has empowered him "to appear to and accept any action or legal proceedings instituted against or by said Company, in the same manner as if the Company were a Corporation or Company established by the laws of the United States, or any of the several States."

PROVISION FOR PAYMENT OF LOSSES IN THE UNITED STATES. A SPECIAL PERMANENT FUND HAS BEEN PLACED AT THE DISPOSAL OF THE AGENT AT PHILADELPHIA, TO ENABLE HIM TO ADJUST AND PROMPTLY PAY ALL Losses, WITHOUT REFERENCE TO LONDON.

LIBERAL TO THE INSURED. The uniform course of the Company has always been a liberal one towards Policy Holders. No jusclaim has ever been disputed, and prompt paymeat of losses is a standing rule. During the past year, losses exceeding \$525,000 were paid. Losses paid as soon as the amount is ascertained.
ANNUAL INCOME.

The Income of the Company is now about \$1. 000,000, increasing gradually each year, showing that it has the confidence of the different communities in which business is done. RATE OF PREMIUM.

The Rate of Premium will be moderate, and in all cases will be based upon the character of the owner or occupant, and the merits of the risk. The conditions of Insurance are framed with the

The Charter of this Company offers more favoraole advantages to the farmer and others, than any Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium in each, or by effecting a each insurance for two years, the insured saves one-eighth of the amount he would otherwise have to pay; or by becoming a small bremium note, the in sured saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the

CASH AND MUTUAL PRINCIPLE. This Company commenced issuing Policies gainst loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become numbers of the Company, and over seventy thousand dollars have been paid for losses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospeets of future usefulness. The Directors hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this company a reputation for cheapness and safety not surpassed by any Company in the U. States. All differences in settlement of losses, may be letermined by three disinterested arbitrators of the County where such loss happened, to be mutually

chosen by the insured and the Company. DIRECTORS: James T. Close. H. W. Thomas, Thomas T. Hill, T. B. Robert on, Dr. R. H. Stabler. R. H. Carter, Wm. Wright, Christopher Neale, R. F. Lester, P. D. Lipscomb, Ben. F. Nalle, Silas Biglow. George E. French. W. M. Turner, Wm. C. Knight. OFFICERS:
